

The background of the slide is a photograph of a vast, deep blue ocean under a clear sky. The sun is visible on the left side, creating a bright, shimmering reflection on the water's surface. The horizon line is visible in the distance, separating the dark blue water from the lighter blue sky. The text is centered in the upper half of the image.

Ocean Planning Stakeholder Workshop

Process to date

- Public listening sessions
- 70 stakeholder meetings
- Workgroup reports
- Baseline assessment
- Plan framework analysis
- Goals and objectives

What we're working on

- Data
 - Continue to acquire data
 - commercial fishing – maps from fishermen
 - Recreational fishing
 - Recreational boating
 - Cetacean
 - Beginning spatial data analysis – testing EVI methodology
 - Review strengths/weaknesses of wkgroup report methodology (See EVI discussion)

What we're working on

- Ecological Valuation Index
 - Synthesis of habitat and fisheries workgroup data in habitat characterization
 - Terms
 - Methodology
 - Compatibility matrix
 - Product is mapped gradations of habitat 'value'
 - First cut representation of special, sensitive and unique areas and development areas

What we're working on

- State planning team
 - EEA, DFG, DMF, CZM, DEP
 - Plan development
 - Regulatory
 - Resources and uses - EVI
- State/federal coordination
 - Use plan as basis for programmatic NEPA or Special Area Management Plan/EIS may be required to integrate plan as enforceable policy

What we're working on

- Ocean Advisory Commission March 4
 - Plan framework
 - Goals and objectives
- Science Advisory Council
 - Science plan
 - EVI

'Goals and objectives'

- Oceans 15 (and other provisions of the Act) provide principles, goals and objectives – the perimeter of the plan
- 'Goals, strategies, outcomes' framework most effective way to organize
- Not a process of building plan through development of principles, goals and objectives, but of developing process that is responsive to the Act

Goals

Integrated
management

Good
stewardship

Foundation for
on-going work

Strategies

What we're doing

Outcomes

- Integrated
ocean management
plan

- SSU
- Development
areas/standards

- 'Plan for the plan'
